Practice workbook · Expense and income accounts with accruals and prepayments

Preparing an expense or income account that opens and closes with amounts owing or in advance (and unused consumables), and finding the year's charge or income.

11 question parts: 1 worked-example retry and 10 further practice parts.
Name: _____ Class: _____ Date: _____

Practise one question type at a time. Attempt the part inside the red boundary; the rest of the question and any figures are kept for context. Write your working in the answer space.

The first question is a retry of the website worked example, without its solution. Check your answers online with 'Check my answer', or ask your teacher for the answer booklet.
