2(d)	**Award 1 mark for a general statement regarding the reason why it is necessary. Further 3 marks for discussion to develop the reason and the final 1 mark for a conclusion.** **Sample answers** This is an application of the accruals concept **(1)**. To apply this concept, it is necessary to transfer to the income statement only the amounts covered by that period **(1)**. This allows a more meaningful comparison of financial statements year on year **(1)** and allows the business to present a true and fair view of its financial position **(1)**. It is necessary to account for other receivables and other payables to present a more accurate view of profit and loss and/or current assets and liabilities **(1)**.	**(5)**
