Practice workbook · Other receivables and other payables: what they are and where they go

Defining accruals and prepayments of expenses and income, classifying each as an asset or liability, and reading what a balance on an expense or income account represents.

14 question parts: 1 worked-example retry and 13 further practice parts.
Name: _____ Class: _____ Date: _____

Practise one question type at a time. Attempt the part inside the red boundary; the rest of the question and any figures are kept for context. Write your working in the answer space.

The first question is a retry of the website worked example, without its solution. Check your answers online with 'Check my answer', or ask your teacher for the answer booklet.
